

**PL2415IP  
ARKIBAT**

Arkibat is a RGBWAUV Led Outdoor Wireless Battery Wall Washer Flood Lights. Die-casting Aluminium housing, 25° degree lens, with battery 24AH, 24V. Charging time: 6.5 hours from 0-100%. It's an idea product for art gallery, museum, shopping mall and entertainment event.

**Key features:**

- 24 x high-power 15W RGBWAUV 6in1 LEDs
- AC 90 -240V 50/60Hz
- CRI>80
- Die-casting aluminum housing, fan-free
- 25° lens (diffuser 60°x25° and barndoor optional)
- Smooth dimming, flicker free
- Compact body, easy to set up
- DMX control of dimmer
- Charging time: 6.5 hours from 0-100%
- Battery: 24AH 24V,
- Wirelss by LUMENRADIO
- Charger Flightcase x 4 Arkibat

**Application:**

- Museum
- Theatre, chruch
- Shoping mall
- Art gallery
- Restaurant
- Entertainment

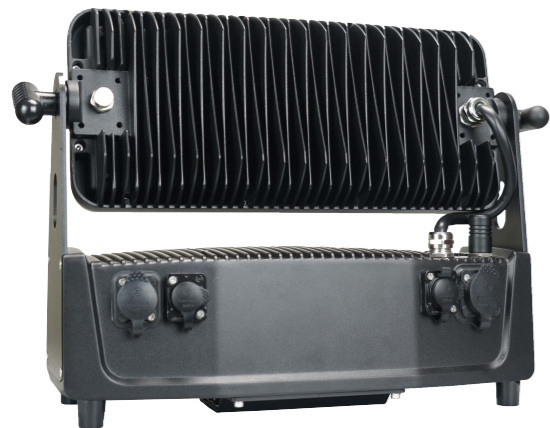

**Accessories:**

Diffuser 60°x25°

Barndoor

Parameter			
LED Source	24x15W RGBWAUV 6in1 LEDs	Dimensions	426x298.5x138mm
Display	1.44 inch TFT, 4 touch button	N.W.	9,5Kg
Beam angle	25° lens (60x25° and barndoor opt.)	Housing material	Die-cast aluminium
Input voltage	AC90-240V/50-60Hz	Housing color	Black
Power	250W	Power cable	IP65 Seetronic Power in/out
CRI	Ra≥80	EMC	EMC CE
IP Grade	IP65 Outdoor	T°Operativity	-10°C~40°C
Control mode	LumenRadio Wireless DMX,DMX, Master/Slave, wireless Master/Slave, 9CH DMX	Cooling	Cooling: Heat sink, fan-free
Battery:	Time 1 color about 20 hours Time Full colors about 5 hours, Charging time: 6.5 hours 0-100%, Battery: 24AH 24V, Charger case	Functions:	0-100% smooth dimming, 0~190° Tilt adjustment, 1-20 times/second strobe
