

**PL3615M  
ARKIWASH**

Arkiwash is a Architectural Wall Washer Led Moving Head RGBW Outdoor. Die-casting Aluminium housing, 25° degree lens, with possibility to have diffuser 60x25° or 25°x60° as optional . Ideal for art gallery, museum, shopping mall, and entertainment event.

**Key features:**

- 36 x high-power 15W RGBW 4in1 LEDs
- Output  $\geq 20000\text{LM}$ (peak value)
- Illuminance  $18130\text{Lux}@5\text{m}(8^\circ)$
- R:623±3NM, G:530±3NM  
B:455±3NM, W:7000K±300K
- 25° lens (diffuser 60°x25° optional)
- Control in 4 segments
- Variable Speed Two-way Rainbow Effect Color Flow Effect
- DMX 512signal, 5 Pin, interface RDM
- 0-100% linear dimming
- Strobe effect
- IP65 Die casting Aluminium

**Application:**

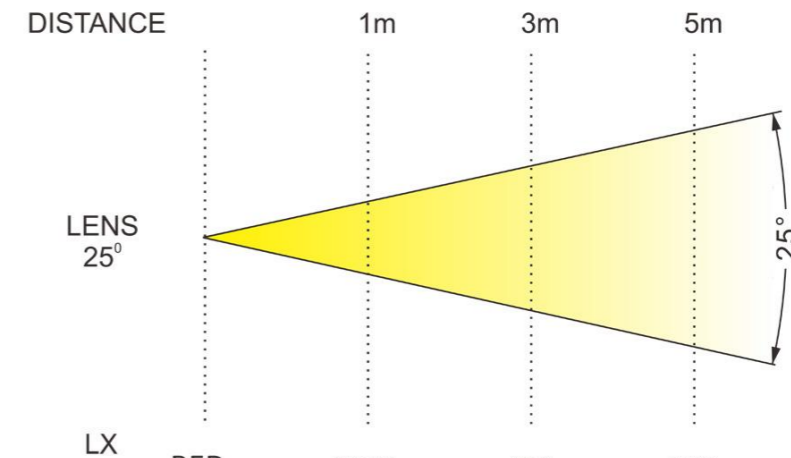

- Museum
- Theatre, church
- Shopping mall
- Art gallery
- Restaurant
- Entertainment

**Accessories:**

Parameter			
LED Source	36x15W RGBW 4in1 LEDs	Dimensions	535x300x152mm
Color temp	2000K ~ 8000K	N.W.	12Kg
Beam angle	25° lens (60x25° diffuser opt.)	Housing material	Die-cast aluminium
Input voltage	AC100-240V/50-60Hz	Housing color	Black
Power	550W@220V	Power cable	5pin DMX IP65
CRI	90	EMC	EMC CE
IP Grade	IP65 Outdoor	T°Operativity	-20°C~40°C
Control mode	5 Pin DMX512 interface RDM , 4 channel modes, Master-slave, Stand-alone mode, Self-test mode	Effect:	0-100% smooth dimming, Tilt: 270; XY axis rotation function and reverse, Electric strobe 0.3-20pcs/sec, Max 20Hz
Function:	Control in 4 segments, Variable Speed Two-way Rainbow Effect Color Flow Effect,	Function:	Adjustable horizontal and vertical speed Display fixture using time Modular structure for easy maintenance Speed-regulating radiator
